Dear Eric:

Congratulations!

On your 50<sup>th</sup> Anniversary membership with  
The American Numismatic  
Society.

While making the final clean up of S. S.  
(Crosby's), this photograph was located by me on  
(Estate). June 21<sup>st</sup> this year

It pictures Mary Crosby Mc Glenen, whom with  
her brother, James Allen Crosby, handled S S  
Crosby's belongings, which were passed to  
Rev. Edward Mc Glenen pictured on the left.  
I knew you would enjoy having this photo-  
graph in your library collection of Numis Items.

I hope you and your family are all in the  
"Best of Health" too!

I haven't seen many colonial coins lately  
Eric as they seem to be quite difficult to locate,  
I'm still doing some collecting and guess I've  
never felt better, <sup>Having</sup> Fun, Warmest Regards,

"I'll bet you've got a  
good hot research  
project going"

Dear Bob:

Of the many surprises in my life, your amazing gift of the Crosby family photograph was the most unexpected, the most unusual and the most thoughtful. I thank you for your kindness in helping me to celebrate my antiquity of membership in the American Numismatic Society.

As you know, the opportunity to do research in numismatics is a privilege which both of us derive great satisfaction from. We were both fortunate to have the work of Crosby to study. He was a model human being for us to venerate. We both wish we could have known him or perhaps we really do.

I shall treasure the picture always and hope that you realize how much your kindness means to me. I wish you continuing pleasure in life and often think of the joys we shared in working on projects together. I still write articles and will do so as long as I am able.

My very best wishes and unending thanks for the pleasure I will continually get from your gift.

Your devoted friend,

A handwritten signature in dark ink, appearing to read 'Eric', is written over a yellow rectangular highlight.

I didn't have your address because it was changed. That is why my letter was delayed.

I was unaware that your personal life has changed somewhat but I wish you the best
